School Care – Student Accident Insurance

Every day there are accidents involving children. To assist parents with the costs associated with those accidents, Catholic Education in association with Catholic Church Insurances Limited has developed the SchoolCare Children's Accident insurance program.

SchoolCare is an important student accident insurance policy for schools. The policy provides cover for accidents to students attending school during school activities and/or 24 hours.

SchoolCare includes cover for school camps, school sports (including sports out of school hours, as long as they are organised by the school), work experience, travelling to and from school or school activities. It also includes any activity organised or authorised by the school. This includes before and after school care, if organised by the school. Cover is worldwide.

Our Policy covers three important areas of care, any one accident may be claimable under one or more of these areas. It is important to note that the policy **cannot** cover any Medicare service including the Medicare gap. Cover includes:

1. Up to **\$5,000 inclusive per accident** for medical costs from the following registered medical practitioners:
 - Dentist
 - Chiropractor
 - Osteopath
 - Physiotherapist
 - Remedial Massage
 - Podiatry
 - Acupuncture, and also costs from a
 - Chemist, and
 - Hospital Accommodation & Facility Fees
2. **Fixed amounts for defined events** – For example – When a child accidentally receives a broken nose the policy will pay a fixed amount of \$300. The full table of benefits lists all the defined events covered under this policy and the fixed amount payable. The full table of benefits is available on this site:
https://www.ccinsurances.com.au/church_ins/schoolcare/why-school-care.asp
3. **A number of other benefits:**
 - Emergency transport
 - Home tuition
 - School Fee relief
 - Hospital Inconvenience Allowance
 - Nursing allowance
 - Professional Counselling Fees

These are all limited to **specific amounts per accident**, specific amounts are detailed in the table of benefits.

To make this process as simple as possible we have introduced a SchoolCare Accident HelpLine **1300 138 498** which will connect directly to a staff Member who can answer any queries.
